

Use eLearning to communicate with your instructor during his online office hours.

How do you access eLearning?

1. Go to <https://www.pjc.edu/elearning> or use the **eLearning button** on the PJC home page at <http://www.pjc.edu> .
2. Type in your eLearning **Username** and **Password**.
 - a. **Username:** The first section of your Pirate e-mail account before the @ symbol.
 - b. **Password:** Initial passwords are the year, month, and day you were born in the **YYYYMMDD** format. Example: 02/21/87 = 19870221
If you have accessed eLearning before in a previous semester and have changed your password, it will remain the same.
3. Click **Login**.
4. If you are new to eLearning you will be asked to change your password for security reasons. Make sure to choose something that will be easy for you to remember but hard for others to guess.
5. You should now see your Course List.
6. Click on the Course name to enter and begin exploring.
