

**College Prep Algebra**  
**Worksheet 3 , Signed Numbers**  
**Answer Key**

- |     |                                    |     |                |
|-----|------------------------------------|-----|----------------|
| 1.  | - 9                                | 2.  | - 3            |
| 3.  | 10                                 | 4.  | - 9            |
| 5.  | - 3                                | 6.  | - 5            |
| 7.  | 12                                 | 8.  | - 3            |
| 9.  | - 11                               | 10. | - 1            |
| 11. | - 2                                | 12. | - 9            |
| 13. | 3                                  | 14. | - 18           |
| 15. | 8                                  | 16. | 4              |
| 17. | 2                                  | 18. | - 8            |
| 19. | - 18                               | 20. | 25             |
| 21. | - 8                                | 22. | - 1            |
| 23. | 1                                  | 24. | .008           |
| 25. | - 10                               | 26. | 2              |
| 27. | $-\frac{12}{7}$ or $-1\frac{5}{7}$ | 28. | - 4            |
| 29. | - 6                                | 30. | 0              |
| 31. | $\frac{17}{12}$ or $1\frac{5}{12}$ | 32. | $-\frac{1}{2}$ |
| 33. | .06                                | 34. | 5              |
| 35. | - 3                                | 36. | - 9            |
| 37. | - 2                                | 38. | $-\frac{3}{4}$ |
| 39. | - 13                               | 40. | 6              |
| 41. | - 36                               | 42. | 9              |
| 43. | - 64                               | 44. | 1              |
| 45. | - 3                                | 46. | 8              |
| 47. | 64                                 | 48. | 5              |
| 49. | - 6                                | 50. | 1              |
